

Emmanuel Mensah

FULL STACK WEB DEVELOPER

Results-driven **full-stack web developer** with two years of experience in developing and maintaining dynamic web applications. Adept at collaborating with cross-functional teams and proficient in both front-end and back-end technologies. Transitioning from a successful 10-year career as a **pharmacist assistant**, I bring valuable transferable skills and a dedication to achieving success in the field of full-stack web development. Committed to staying updated with industry trends, emerging technologies, and best practices. Actively engaged in self-directed learning to enhance skill sets and deliver innovative solutions.
